LIVELY SPORTS FOR SCHOFIELD MEN TOMORROW

(Special Star-Bulletin Correspondence)
SCHOFIELD BARRACKS, Nov. 24.—Yesterday work was commenced on a stage that is being erected in the center of the cavalry parade ground, for an entertainment tomorrow afternoon that Chaplain Ignatius Fealy announces will be the greatest entertainment ever staged at Leliehua.

"There isn't any hall at Schofield," said Chaplain Fealy yesterday, "big enough to accommodate all the officers and soldiers at this big garrison and as we are going to have a real Thanksgiving entertainment, we want a place big enough for everybody."

The entire post can gather around the ring and sit on the ground unless they want to bring chairs and be entertained all afternoon. Chaplain Fealy has not announced that there are to be any boxing matches, but as the list of performers includes Rufus Williams, Jack Potts, Andy Berger, Charlie Cooper, Bob Fleishman and several other well-known milt artists, it is a pretty good bet that there are to be a few rounds of lively boxing to round out the program. There will be no charge for admission.

In addition to some musical numbers there will be buck and wing dancing, wrestling and an exhibition of Jiu-Jitsu. The list of performers includes the following from the 25th Infantry: Rufus Williams, Bert Anderson, Le Traffin and Elbert Williams. From the 4th Cavalry: Edward Roach, Fred DeMott, Andrew Berger, Charles Cooper, Thomas Holmes, Frank McDusky, James Moore and Bob Fleishman. From the 1st Field Artillery: Harry Lodato, William Montgomery and Thomas McAnena. From Fort Shafter: Joe Podsimnik (Jack Potts), Harry Hamilton, William Marton and Joseph Shuman. DOUBLE HEADER TO BE EVENT AT ATHLETIC PARK

The attractions at Athletic Park on Turkey Day will be the clashes between four teams of the Oahu League. In the second game of the 25th Infantry team will endeavor to revenge their recent defeat at the hands of the All-Chinese aggregation. Lieut. Wyman will have the strongest team in the field and is confident that the colored soldiers will defeat the local team.

The All-Chinese have secured Lai Tin, one of the fastest players in the city. Lai Tin was a big star with the Travelers and is expected to show the fans some fast work on the paths tomorrow. The Chinese will have Kan Yen behind the plate, with Luck Yee or Hoon Ki in the box. En Sue will be stationed in the outfield with Lang Akang and one other player yet to be selected.

The 25th will send either Jasper or Waterhouse to the mound to stop the fast Chinese team, and the lineup will perhaps be the same as in past contests. Rogan is to be stationed behind the plate with Swinton on first and Smith at short stop. It is expected that Willis will hold down the difficult corner and Crafton, Johnson and Goliath will attend to the outer garden.

This game will without doubt prove to be the banner one of the year and baseball fans of the city are certain to come back to Athletic Park to witness this game. The games to date have not been exciting from any standpoint, but the fans who have been staying away from the park may rest assured that this contest will be a hard-fought one from start to finish. The first game is scheduled for 1:30 between the Portuguese and the All-Army. The second contest is booked for 3:30.

THANKSGIVING EVE AT HEINIE'S TAVERN

A dinner-dance celebrating Thanksgiving eve will be held at Heinie's tavern this evening. Tomorrow evening there will be an elaborate Thanksgiving dinner, with Hawaiian music. The great army and navy football game will be a topic for discussion by local officers and their ladies, who are cordially invited, as well as the society folk of Honolulu. Tables may be reserved for Thanksgiving dinner by phoning the manager, phone 4986.—Adv.

The French government has placed a big order for flour in the northwest. Estimates run as high as one million barrels. If this is approximately correct, it is the largest single order ever placed in this section for flour, says a late Minneapolis despatch.

Work While You Sleep
Tough, sure, take Cascaras and enjoy the nicest, gentlest liver and bowel cleansing you ever experienced. Wake up with your head clear, stomach sweet, breath right and feeling fine. Get rid of sick headache, biliousness, constipation, furred tongue, sour stomach, bad colds. Clear your skin, brighten your eyes, quicken your step and feel like doing a full day's work. Cascaras are better than salts, pills, or calomel because they don't shock the liver or gripe the bowels or cause inconvenience all the next day.

Mothers should give cross, sick, bilious, feverish children a whole Cascaras anytime as they can't injure the thirty feet of tender bowels.—Adv.

ANCHOR SALOON ROBBERED AGAIN.

Charles Lambert, proprietor of the Anchor saloon, King and Nuuanu streets, lost \$29.20 when burglars rifled his cash register late Sunday night after gaining entrance through a side window. No trace of the robber has been discovered by the police. This is the third time the Anchor saloon has been burglarized.

Not a person was sick on the Matsonia during the trip to San Francisco, which has just ended, according to information conveyed to Attorney W. T. Rawlins in a wireless from Mrs. Rawlins, received today. The message said that the trip was unusually pleasant and the sea very calm.

ROBBER RAISES UMBRELLA AND LEAVES SLOWLY

Another attempted burglary which is attributed to Yee Yo Keuk was reported to the police yesterday by Y. Kobayashi, a contractor living at 3034 King street, who said that his house was entered early Tuesday morning and an attempt was made to rob him.

The burglar opened an outside door of Kobayashi's home with a pass key and entering the bedroom awoke Mrs. Kobayashi and ordered her to keep quiet. In spite of the order the woman woke her husband and a Japanese servant sleeping in the next room was also awakened and gave an alarm by yelling "fire." A number of Japanese answered and the Korean was frightened away.

Before making his retreat the bandit fired a shot toward the crowd of Japanese, after which he raised an umbrella and walked slowly away.

Before Mrs. Kobayashi was awakened the burglar cut the telephone wires so the police could not be communicated with. Kobayashi reported the phone but it was almost an hour before four policemen arrived at the house, he says.

The description of the man answers exactly that of the Korean who has been terrorizing Japanese residents and who recently fought a revolver duel in the heart of town with policemen and detectives.

DON'T EAT PEANUTS! CAUSE APPENDICITIS.

Cases of appendicitis have been directly traced to peanuts. Honolulu people who eat indigestible foods should guard against appendicitis by taking twice a week ONE SPOONFUL buckthorn bark, glycerine, etc., as mixed in Adler-Ka.

This mixture is so POWERFUL and cleanses bowels so thorough ANY CASE constipation, sour or gassy stomach. ONE bottle has relieved mild cases appendicitis. Most medicines act only on lower bowel; Adler-Ka acts on BOTH lower and upper bowel. TEN MINUTES after taking, effect begins—the INSTANT action is surprising. Although powerful, it works GENTLY and NEVER gripes. The Hollister Drug Co.
